

Dear Dental Colleague,

I am writing to invite you to the **exclusive 1st UK National Symposium on Membranes**

Titled “*Key indications and successful clinical techniques*” the day long symposium will feature world leading experts sharing insights on state of the art practice in bone augmentation & regeneration as well as the future developments

**Faculty**

*Professor Jürgen Becker - Germany*

*Professor Cemal Ucer – UK*

*Dr Stephen Barter - UK*

**Date**

*Friday, March 23rd 2012*

**Venue**

*Forest of Arden Marriott Hotel, Birmingham*

**Programme**

**AM:** *The faculty will present on the key indications for membrane usage and look at the scientific factors behind their clinical use. This will be combined with practical clinical examples of success*

**Lunch**

**PM:** *A hands-on Masterclass with the faculty providing demonstrations of the key techniques for successful membrane use and then guiding each participant as they work through their own examples*

**Price**

*Only £95 administration fee to take part in this world class event with the unique one-to-one training.*

*There is also an EXCLUSIVE opportunity to purchase 5 Geistlich Bio-Gide for the price of 4 available to all attending participants*

**CPD**

*6 hrs*

**CALL your local Geistlich UK representative now to register yourself as the seats are limited at this ‘incredible value for money’ scientific event**
